General information

Welcome!

The UA Cycling Team and Sabino Cycles Racing Team are excited to offer the Vuelta a Santa Catalina for the 10th year!

Etiquette:

These races are held in public areas, and spectators will be present. Please be polite and respectful. You are representing our event, your team, and cycling in general. We want to leave a **LASTING POSITIVE** impression on our very gracious host communities and be welcomed back.

No littering, no cursing, and **ABSOLUTELY NO PUBLIC URINATION!**

We nearly lost our event for 2014 because someone used a resident's semi-truck as a pee spot- in view of their dining room windows while they ate breakfast. There is no excuse for public urination.

Riders caught doing so will be fined AND disqualified.

Centerline:

The centerline rule will be strictly enforced in the time trial. If no painted centerline exists, riders must keep to the right side of the road. Riders must stay in the right lane if there is a double lane. During the time trial, all roads will be open to traffic. Crossing the centerline endangers yourself AND the oncoming riders. **The risk is not worth it.** This is the first warning for everyone:

CROSS THE CENTERLINE AND YOU WILL BE DISQUALIFIED

Don't be the rider that makes our race disappear because you rode over the center.

Helmets:

Helmets must be worn and secured **at all times** while riding a bicycle.

Race Numbers:

Numbers will be pinned on the **RIGHT** for the time trial and **LEFT** for the crit. Pin it lower and on the side- like rider 123.

Wheel Support:

There will be a wheel pit in the criterium by the finish line.

2024 La Vuelta a Santa Catalina

All USAC Rules Apply- Held under USAC Permit: 2024-8455

Prizes:

See the respective race day page for each day's payouts. The prize list may be increased if additional sponsors are found.

Merchandise may include Sabino Cycling gift cards, boxes of R-Bars, Girl Scout Cookies, Tires, Skratch Labs, Richey gear, and UA swag.

Race Proceeds:

Our events serve as a fundraiser for the UA Cycling team. All proceeds from the events go directly to the UA Cycling Team, which enables the team to compete across the Southwest, attend nationals, promote races, and get more college students riding bicycles. Your participation directly impacts and improves cycling in the Southwest by allowing us to bring riders to your team's event!

Why is there no road race in 2024?

The two-year Visit Arizona tourism grants provided a finance bridge in 2022 and 2023. However, with the end of that program, we faced a \$3-4,000 loss on the road race in 2024. We're exploring finding more sponsors to bring the road race back in 2025.
