General information

Welcome!

The UA Cycling Team and Sabino Cycles Racing Team are excited to offer the Vuelta a Santa Catalina for the 11th year!

Etiquette:

These races are held in public areas, and spectators will be present. Please be polite and respectful. You are representing our event, your team, and cycling in general. We want to leave a **LASTING POSITIVE** impression on our gracious host communities and be welcomed back.

No littering, no cursing, and ABSOLUTELY NO PUBLIC URINATION!

We nearly lost our event for 2014 because someone used a resident's semi-truck as a pee spot- in view of their dining room windows while they ate breakfast. There is no excuse for public urination.

Riders caught doing so will be fined AND disqualified.

Centerline:

The centerline rule will be strictly enforced in the road race and time trial. If no painted centerline exists, riders must keep to the right side of the road. Riders must stay in the right lane if there is a double lane. During the time trial, all roads will be open to traffic. Crossing the centerline endangers yourself AND the oncoming riders. **The risk is not worth it.** This is the first warning for everyone:

CROSS THE CENTERLINE AND YOU WILL BE DISQUALIFIED

Don't be the rider that makes our race disappear because you rode over the center.

Helmets:

Helmets must be worn and always secured while riding a bicycle.

Race Numbers:

Numbers will be pinned on the **RIGHT** for the time trial and road race and **LEFT** for the crit. Pin it lower and on the side- like rider 123.

Wheel Support:

There will be a wheel pit in the criterium by the finish line. We will do our best to have follow vehicles for each wave in the road race.
